I have judged numerous dog shows in broad spectrum of levels: National, International, European, World dog show and special club dog shows in many countries in Europe.

I am a founder and president of **Shar-pei club** in Slovakia, Advisor of breeding in Shar-pei club in Slovakia, President of **Club of molossers** in Slovakia, a Member of board – Slovak hunting association – cynology section.

I am author of many magazine articles and the first rules of junior handling in Slovak Republic. In 2014 I was awarded On the occasion of the 20th anniversary of the Slovak Kennel Club, with a silver medal for development of Slovak cynology.
