## VETERINARY SERVICE

### **Veterinary inspection itinerant during the show.**

The veterinary inspection is itinerant and is performed in a random fashion.

In Portugal there are no quarantine rules for dogs arriving from abroad or from any Community State. However, a PET PASSPORT for dogs from EU members or a HEALTH CERTIFICATE for dogs from non EU countries, with an anti-rabies Vaccination Certificate is required and the vaccination should have been performed, within the year before the date of show. Vaccination against the main dog diseases must have been made more than eight days before the show.

Dogs coming from abroad must be identified either electronically or by tattoo according to the legislation of the country of origin.

Dangerous or potentially dangerous dogs (American Staffordshire Terrier, Dogo Argentino, Fila Brasileiro, Rottweiler, Staffordshire Bull Terrier and Tosa) that enter the portuguese territory for a period of time of less than 4 months, must have proof of registration on the country of origin and subscribe a statement of responsibility in a form supplied by the portuguese veterinary authority ([DGAV - www.dgav.pt](http://www.dgav.pt)).

### **IMPORTANT**

Exhibitors should take note of the following legal rules which apply in Portugal (Decree-Law 276/2001, of 17 October):

“(...) Article 17  
Surgical procedures

Surgical procedures, in particular tail docking in dogs, must be carried out by a veterinary surgeon.

Article 18  
Amputations

1 - Keepers of pet animals who present them with any amputations which alter their appearance or for non-curative purposes are required to possess a document, issued by the veterinary surgeon who carried out the amputation, certifying that this procedure was necessary, indicating in particular that it was effected for veterinary reasons, or in the particular interest of the animal or to prevent it from breeding.

2 - The document referred to in the preceding paragraph shall consist of a certificate issued and signed by the veterinary surgeon, indicating his (her) professional license number.

3 - Keepers of imported animals which present any of the amputations referred to in paragraph 1 are required to possess a document certifying that the amputation was necessary, issued by the veterinary surgeon who carried out the procedure, authenticated by the relevant authorities in the country in question (...)

Exhibitors are advised that the Organisers will make arrangements to ensure compliance with the legal requirements, and should bring the documents needed to comply with Portuguese legislation.

## IMPORTANT

Exhibitors should take note of the following legal rules which apply in Portugal (Decree-Law 276/2001, of 17 October):

### “(...) Article 17 Surgical procedures

Surgical procedures, in particular tail docking in dogs, must be carried out by a veterinary surgeon.

### Article 18 Amputations

1 – Keepers of pet animals who present them with any amputations which alter their appearance or for non-curative purposes are required to possess a document, issued by the veterinary surgeon who carried out the amputation, certifying that this procedure was necessary, indicating in particular that it was effected for veterinary reasons, or in the particular interest of the animal or to prevent it from breeding.

2 – The document referred to in the preceding paragraph shall consist of a certificate issued and signed by the veterinary surgeon, indicating his (her) professional license number.

3 – Keepers of imported animals which present any of the amputations referred to in paragraph 1 are required to possess a document certifying that the amputation was necessary, issued by the veterinary surgeon who carried out the procedure, authenticated by the relevant authorities in the country in question (...)”

Exhibitors are advised that the Organisers will make arrangements to ensure compliance with the legal requirements, and should bring the documents needed to comply with Portuguese legislation.
